# Memory Match: Numbers and Dots

Kindergarten-Grade 1 | 16 cards (8 pairs) coolmathgame.co.uk

Name: _____ Date: _____

Print on card stock and cut out the cards. Mix them up face down. Take turns flipping two cards: a number and the matching number of dots make a pair. The player with the most pairs wins.

# Memory Match: Numbers and Dots - Answer Key

Kindergarten-Grade 1 | 16 cards (8 pairs) coolmathgame.co.uk

Pairs: each number card matches the card with the same number of dots.

**1 = 1 dot**

**2 = 2 dots**

**3 = 3 dots**

**4 = 4 dots**

**5 = 5 dots**

**6 = 6 dots**

**7 = 7 dots**

**8 = 8 dots**

Easier: play with 4 pairs (1-4) face up first, then face down.

Harder: add a second set so players match 3 cards (number, dots, and tally marks you draw).
